

Veterans

Our veterans have risked their lives defending the fundamental freedoms on which our nation was founded. They deserve the best upon their homecoming and I plan to make sure they receive the health benefits, educational opportunities, and financial assistance they have earned serving our country and our people. Below I have included important links to additional information for Veterans and Veterans benefits. Please contact any of my offices for assistance with the Veteran's Administration or other government agency.

Contacting the Veterans Administration

[Visit the VA Website](#)

[Assistance with GI Benefits](#)

[Assistance with Medical Benefits](#)

[Find a VA Loan](#)

[VA Life Insurance](#)

[VA Rehabilitation Services](#)

[Assistance with Survivor Benefits](#)

[Locating Military Papers](#)

[Military Medals](#)

If you still need assistance, feel free to contact any of my district offices for help with the VA or with other government agencies.
