

Congressman Travis Childers Announces More than \$20 Million in Grants to Benefit Mississippi's First District

Congressman Travis Childers Announces More than \$20 Million in Grants to Benefit Mississippi's First District

September 19, 2008

Washington, DC - Mississippi has received over \$20 million in loans and grants in the last month, which will in varying degrees benefit all counties within the First District, announced Congressman Travis Childers (D-MS).

"Each of these loans and grants represent essential investments in North Mississippi's educational, infrastructure, and economic future, and will have tremendously positive impacts on our local communities," said Congressman Childers. "I commend the responsible organizations for contributing to the future of the First District, and will continue to support these important efforts to help Mississippi's institutions and resources continue to develop and grow."
